Selected Consultant: On the basis of combined evaluation, **M/s SATRA Infrastructure Management Services Pvt. Ltd., Secunderabad** being the top ranked firm, was awarded the contract amounting to ₹ 25,721,002 (inclusive of all taxes) for Undertaking Surveys to determine the Project Indicators at the end of the Project (in the year 2017) on approx. 1,700 km roads and comparing results with the Baseline Values, Package XXIII, Phase II of PSRSP. The time duration of the assignment is Six (6) months from the date of signing of the Contract.

Key services to be provided under this assignment are:

Under the assignment, the consultant shall monitor, evaluate, recommend and compare the following Project Indicators at the end of the Project (in the year 2017):

- Average Network Speed;
- Vehicle Operating Cost (VOC);
- Road roughness survey and Road condition survey; and
- Road User Satisfaction Survey.

The consultant shall compare the results with the initial surveys for Monitoring and Evaluation of Project Indicators (Avg. Network Speed, VOC and Road User satisfaction survey) conducted earlier. In order to determine the Road Roughness and Road Condition Surveys of roads the consultant shall compare results with the reports submitted by the OPRC consultant. The Consultant shall also carry out the Economic Analysis of Project Investments.
